Why Sponsor?

You have exclusive access to BOMA Oregon members, a big return on your investment, and networking opportunities you won't get with other organizations.

We know that deciding to sponsor is more than just putting your logo on materials and the website. Your decision entails more than just the cost. You are making an investment, and you expect a return on that investment. If you aren't successful, BOMA Oregon isn't successful. We are a team.

When you are reviewing the various levels of sponsorship, think about the following:

- What are you trying to achieve?
- What are your business objectives?
- What does success look like for you?

We have created sponsorship packages at various price points that offer you unique exposure and access. This is the kind of relationship-building that traditional advertising just can't buy. We have something for everyone's budget.

Can't find what you are looking for? Let's discuss. We can tailor a sponsorship that fits your company's needs.

Build your success with building owners/managers that represent over 68 million square feet of commercial real estate throughout Oregon!

Let BOMA help you create a successful sponsorship you won't soon forget!
